

Alice LEMAIRE

Urban Designer and Architect

Experience

2019-today Location
Copenhagen
Urban Designer at Henning Larsen

From architectural intern to urban lead on various projects. Most of my experience lies between the concept and schematic phases. Comfortable across scales from buildings to large scale masterplans. Worked closely with clients on both projects and workshop facilitation. Used to managing external consultants.

2018-19 Location
Lille
Consulting Architect at DOORS

Architecture/interior consulting for housing renovation projects. Production documents for permits.

2017 - 4 months Location
Paris
Architectural Intern at NXNW

Feasibility studies, graphics work and housing competitions

2019-23 Location
Sweden
Co-Founder of the Urban10Collective

Urban10Collective is a diverse group of designers from 7 nationalities, specializing in architecture, urban design, landscape architecture, planning and community engagement. Formed by former master's classmates, the collective explores open competitions and architectural projects through a multidisciplinary lens.

2017 - 4 months Location
Copenhagen
Urbanism Intern at arki_lab

Graphics work, citizen involvement and participation, exhibition layouts and urban competitions

2015 - 3 months Location
Lille
Architectural Intern at REDCAT

Assistant on 5 different projects: elevations, models, on-site visits and meetings with the city and promoters

Education
